Other general business noted:

- Mike Radich voiced having a discussion with the wider membership to lobby to council in support of the Stratford District Council and Stratford Business Association partnership to stay in place. Mike felt that the support of council is needed for the association. The chair acknowledged this but highlighted that there are multiple moving parts including bigger conversations that are needed between SBA and council and SBA and Taranaki Electricity Trust. Council and SBA are separate entities and council can choose to withdraw support. The Chair added that this can be discussed further at the next committee meeting to bring the new committee members up to speed.

The meeting concluded at 6:06pm

CHAIRMAN

Chairman's Report 2025

As we reflect on the past year, I am pleased to report that the Stratford Business Association continues to grow in strength and purpose. This year has marked an important step forward in how we operate and connect with our members and the wider Stratford business community.

One of the most significant changes this year has been the Association's move to employ its own Secretary, shifting away from a Council-employed position. This change has given the Association greater flexibility, ownership, and efficiency in how we conduct our business. I firmly believe this has been a change for the better, and we are already seeing the benefits of having a dedicated Secretary who works directly for the Association.

Under our new Secretary's guidance, we have seen improvements in communication, organization, and engagement. A key highlight has been the redesign of our website. The new formatting looks professional and modern, providing a more accessible and attractive platform for our members and the wider public to stay informed about our activities.

Throughout the year, the Association has continued to deliver valuable workshops for our members, supporting business growth, collaboration, and learning. These sessions have been well attended and continue to provide practical benefits to local business owners.

Our team has also been busy preparing for the upcoming Stratford Christmas Parade, one of our most anticipated community events. We look forward to once again bringing our community together to celebrate the festive season and showcase local businesses.

As always, I want to acknowledge the commitment of our committee members, volunteers, and supporters who continue to make our work possible. Your time, ideas, and energy are what keep this Association strong and effective.

I would especially like to extend my thanks to our new Secretary for their dedication and professionalism. Their contribution has already made a noticeable difference in how we operate and communicate as an Association.

Together, we continue to build on our vision of a strong and vibrant business community in Stratford. I look forward to another productive year ahead.

Kind regards,

Matthew Dimock

Assistant Registrar of Incorporated Societies

NOTES

NAME OF PROPOSED SOCIETY:

Please enter here the name of the Society at the top of the page

APPLICANTS

The application for incorporation must be made by a minimum number of 15 persons who are members of the society. A member of the society must be either a natural person or a corporate body.

If all or some of the members are corporate bodies, eg a company, another incorporated society, or a charitable trust, then each corporate body counts as three persons for the purpose of making up the minimum number of 15.

An unincorporated body (because it is not a legal person) cannot become a member of an incorporated society.

The application must be signed by the 15 applicant members. If they are individuals they should include their full names, occupations, and their residential addresses. A corporate body should sign in the way specified in its own rules or by statute for the execution of documents. This may be under common seal or may be by an authorised agent.

WITNESSES

Each applicant's signature must be witnessed and the witness must add his/her full name and residential address. One person can witness all the signatures, either individually or by bracketing all fifteen together and adding their signature, address and occupation only once.

A witness does not have to be a solicitor or Justice of the Peace. A witness can be another member of the society, but **MUST NOT** be one of the members who has signed as an applicant.

DATE

The date of the application should be the date on which the last applicant's signature is witnessed.

Our Vision
Stratford District - a strong and vibrant business community

Our Purpose
To enable, advocate for and support our business association members

The proposed amendment:

At any annual or special general meeting, 15 members, and at any committee meeting half of the then current committee members + a half (0.5) rounded up shall constitute a quorum.

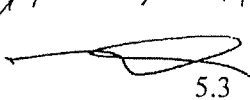

For example, if the committee consists of 10 members, the quorum would be 6. This is half (5) + a half (0.5) = 5.5 rounded up = 6. If the committee has 9 members the quorum would be 5 (4.5 rounded up) and so on.

This is in line with good practise and would allow decisions to be made at meetings.

THAT the Stratford Business Association rules constituting a quorum are; at any annual or special general meeting, 15 members, and at any committee meeting half of the then current committee members + a half (0.5) rounded up shall constitute a quorum.
